FEATURES & BENEFITS

Featherweight® Anodized Aluminum Construction provides you with the strongest, yet lightest weight cart available on the market

Perfect for use as:

- Utility Carts
- General Supply Carts
- Par or Exchange Carts
- Open Linen Carts
- Closed Linen Carts

Unique Features

- 1 Non-Marking full perimeter rubber bumper.
- 2 Non-marking, Precision ball bearing casters; available in full swivel, fixed, directional lock and total lock. All casters are low maintenance and easy rolling.
- 3 Plastic storage totes with optional dividers. Easy-in easy-out sliders ensure they never bind.
- 4 Shelving options include: Slide out, solid, wire, and fixed shelves.
- 5 Optional vinyl covers and solid doors.
- 6 Custom cart designs available in fully enclosed, partial and fully open.
- 7 Two point positive-latching door mechanism with easy grip-and-turn latch insures doors remain closed during transport. A simple finger activated door catch assures doors stay open in cart washers.
- 8 Optional Ergo-Express® Motorized Platform Cart.
