WEST
INC.**

“Here at PHS West, Inc. our goal is to give you exceptional equipment at a cost that fits into your budget. For over 25 years we have delivered unparalleled value to our customers.”

-Jason Pugh, *Territory Sales Manager*

State of the Art Medical Equipment

Get top of the line equipment, fit to your needs, at an affordable price.

Medical Grade HD LCD Procedure Monitor

Our Medical Grade HD LCD Procedure Monitor offers you world class quality designed to meet your unique needs, all at an affordable price. This 27" zero-bezel monitor comes with a sleek edge-to-edge glass front face, making it easier to clean and eliminating contamination build-up that would come with a raised edge.

High Quality Picture

Our monitors feature full HD resolution. The excellent image quality, color fidelity and image contrast enable you to have maximum accuracy.
