Motorized Tugs

Pushing or pulling heavy loads places strain on muscles and bones which can result in injuries to staff. Ergo-Express® Motorized Tugs provide your team with a safer system for towing heavy loads in any material handling role.

We have worked with countless customers to provide motorized tugs that meet their precise transportation needs. Whatever you need to tow, we will configure a tug to haul it while placing zero stress on the operator.

OUR HISTORY

Ergo-Express® Motorized Tugs have proven themselves over nearly two decades as a reliable system for hauling heavy materials. PHS West has always strived to design the ideal solution to meet your specific needs.
