

ERGO-EXPRESS®

Ceiling Lift Load Test Carts

Perform patient ceiling lift load testing with a product designed for the task.

Our Mission

PHS West is a relationship focused organization providing innovative products for a safe and efficient workplace.

Our philosophy goes far beyond selling a product. I work hand-in-hand with our customers, learn about their specific challenges, and help design the right solution to fit their needs and budget.

INSIDE SALES
REPRESENTATIVE

Motorized Ceiling Lift Load Test Carts

There are very few products on the market that are designed to accomplish ceiling lift load testing effectively. Ergo-Express® Ceiling Lift Load Test Carts address this need and have already proven themselves in dozens of healthcare facilities.

We offer several varieties of load testing carts, each designed to meet your specific travel and weight requirements.

DESIGNED WITH PURPOSE

The Ergo-Express® Ceiling Lift Load Test Cart is the result of recognizing a clear lack of purpose built ceiling lift testing products on the market.

Our overall mission of making workplaces safer and more efficient is present in every design feature of this system.

Ergo-Express® Ceiling Lift Load Test Carts

INNOVATION DESIGNED AROUND YOU

Our unrivaled solutions are designed to answer the unique challenges faced by your team.

FEATURES

Designed for the Job

Ergo-Express® Ceiling Lift Load Test Carts are purpose built for testing ceiling mounted patient lifts. Address the need for effective weight handling and transportation in a single product.

FEATURES

Safety and Ergonomics

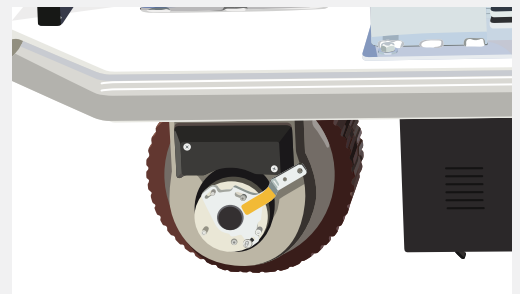

All of our products are built with safety as the utmost priority. Eliminate the risk of workplace injuries from ceiling lift load testing with improper equipment.

FEATURES

Optional Power Drive System

Move your ceiling lift testing weights on a motorized cart to reduce fatigue and mitigate injury risks. Transport over long distances with zero push or pull force required.

MAKE THE MOST OF YOUR TIME

Your time is valuable. We are here to help make your workflow more efficient.

SCHEDULING CONVENIENCE

Allow a single operator to complete ceiling lift load testing and eliminate the need for third-party services. Perform testing on your schedule.

VIRTUAL SHOWROOM

Collaborate with our knowledgeable team at a time and location convenient for you. Schedule a virtual meeting to review designs, participate in live demonstrations, and receive valuable training.
