Surgical Carts

Frustrated by medical carts limiting your equipment choices? PHS West Surgical Carts are designed to fit your needs, not the other way around. Experience improved organization and efficiency with a solution tailor made for the needs of your operating room.

OUR HISTORY

For more than twenty-five years, we have been providing purpose-built medical carts. Our sales representatives have worked one-on-one with hundreds of facilities across North America. As such, we have been able to help countless hospitals enhance their workflow.

PHS West is here to help you configure the perfect cart to meet your specific needs. Contact us today to begin your complimentary consultation.

Featherweight® Surgical Carts

SURGICAL CARTS DESIGNED AROUND YOU

Several aspects go into ensuring we will design the perfect solution to your needs.

Configurable Design

We use modular components allowing each accessory, shelf, and storage option to be positioned according to your unique equipment requirements.

Compatibility

Design a cart to fit your existing equipment for seamless integration into your operating room.

Optimal Workflow

Get more out of your cart with accessible shelving, integrated cable management, and optional adjustable keyboard and monitor positioning.

HOLISTIC CUSTOMER FOCUS

We strive to make each customer experience outstanding through the entire life of the product.

COLLABORATIVE DESIGN PROCESS

We place an emphasis on building quality relationships based on honesty and trust. Our dedicated and experienced team members work with you through the design process from the first call through product implementation and beyond. Our team will ask the right questions and provide the right solution for you.

VIRTUAL DESIGN REVIEW

PHS West takes pride in being at the cutting edge of digital communications. Schedule a virtual meeting with your sales representative to review designs. Participate in product demonstrations from any location via our virtual show room. Rest assured that you will know exactly what to expect before making a final decision.
