Linen and Supply Carts

Featherweight® Linen and Supply Carts are designed to provide a secure barrier for your supplies or linen with optimal organization and storage space. With a variety of configurations and options, meet your specific footprint, shelving, storage, and budget requirements.

OUR HISTORY

For more than twenty-five years, we have been providing purpose-built medical and material handling carts. Our sales representatives have worked one-on-one with hundreds of facilities across North America. As such, we have been able to help countless workplaces enhance their workflow.

PHS West is here to help you configure the perfect cart to meet your specific needs. Contact us today to begin your complimentary consultation.

Featherweight® Linen and Supply Carts

CARTS DESIGNED AROUND YOU

We will help find the perfect solution to your linen or supply needs.

Multiple Configurations

Match your unique needs for storage and securement with a variety of enclosure, shelving, and storage tote options. Enclosure options range from an open, vinyl front covers, or latching doors.

High Quality Build

With an aluminum frame and non-marking, easy rolling casters, ensure your cart is built for the long haul.

Power Drive Options

Whether mounted to a motorized cart or hitched to a motorized tug, allow one staff member to safely transport even the heaviest loads in one trip.

HOLISTIC CUSTOMER FOCUS

We strive to make each customer experience outstanding through the entire life of the product.

COLLABORATIVE DESIGN PROCESS

We place an emphasis on building quality relationships based on honesty and trust. Our dedicated and experienced team members work with you through the design process from the first call through product implementation and beyond. Our team will ask the right questions and provide the right solution for you.

VIRTUAL DESIGN REVIEW

PHS West takes pride in being at the cutting edge of digital communications. Schedule a virtual meeting with your sales representative to review designs. Participate in product demonstrations from any location via our virtual show room. Rest assured that you will know exactly what to expect before making a final decision.
