CARTS DESIGNED AROUND YOU

We will help find the perfect solution to your trash or bio-hazard needs.

Sanitary, Safe Waste Collection

When you need to take out the trash, we have you covered. Rest assured your team will be safe with trash and bio-hazard carts designed for the job. Any cart we manufacture will be an asset to your team for years to come.

Multiple Configurations

Meet your needs for waste collection with a variety of sizes and closure methods. Multiple models and fabrication capabilities allow us to build your perfect cart.

Power Drive Options

Whether mounted to a motorized cart or hitched to a motorized tug, allow one staff member to safely transport even the heaviest loads in one trip.

HOLISTIC CUSTOMER FOCUS

We strive to make each customer experience outstanding through the entire life of the product.

COLLABORATIVE DESIGN PROCESS

We place an emphasis on building quality relationships based on honesty and trust. Our dedicated and experienced team members work with you through the design process from the first call through product implementation and beyond. Our team will ask the right questions and provide the right solution for you.

VIRTUAL DESIGN REVIEW

PHS West takes pride in being at the cutting edge of digital communications. Schedule a virtual meeting with your sales representative to review designs. Participate in product demonstrations from any location via our virtual show room. Rest assured that you will know exactly what to expect before making a final decision.
